BADLY HURT.

Mrs. Margaret Quin, the aged mother of Mrs. W. G. Goodwin, while visiting at Mr. Jas. R. Shaw's, at Jetts, on Saturday, slipped and fell injuring her hip and wrist. We are glad to know that she is improving.

ELECTED OFFICERS.

The City Council met on Monday night and elected the caucus nominees for the various city officers.

Mayor Darnell sent in the nominations for the police force, as now existing, and they were confirmed.

WRIT DE LUNATICO INQUIREND.

Stephen Harris, a well known colored man, was tried under a writ de lunatico inquirendo, on Monday last, and ordered sent to the asylum.

BENSON RUNS OUT.

Owing to the heavy rain of Saturday and Sunday night, Benson creek rose rapidly and the ice ran out on top of that in the river and piled up several feet high clear across the river to the opposite side. It made a queer looking sight and reminded one of the gorges seen here many years ago during some of the hard winters of the past.

WINS OUT.

The Big Bethel Colored Baptist Church, of this city, who have been involved in a suit with the City Council over their right to erect a new church building, on the corner of Clinton and High streets, won out on Saturday last, the Court of Appeals holding the city ordinance forbidding the contemplated building to be unconstitutional.

There is nothing so important in facing severe weather as well organized digestive force. When the stomach properly digests nutritious food it creates new, rich blood; and fortifies the system against exhaustion. Walther's Peptonized Port, to be found at all drug stores, is an ideal combination of pure, rich port and the best quality of pepsin. It strengthens the weak digestive organs, restores the appetite, builds and tones up the entire system.

For invalids, convalescents and worn out people, are the nothing so beneficial as Walther's Peptonized Port. For sale by J. W. Gayle, Frankfort, Ky.
Small size 50 cents, large size \$1.00.

HONORED.

Our friend, Dr. O. B. Demaree, of this city, was elected President of the Franklin County Medical Association at its meeting at the Board of Trade Hotel on Saturday evening. Dr. Demaree is a progressive and up-to-date physician. We congratulate him upon his promotion.

Hammond & Co. have just unloaded one thousand ten foot scantling. They have a large assortment of dry building lumber.

MAMMOTH CAVE IN MINATURE.

It has been suggested to the Kentucky Exhibit Association that it include in its space in the Mines and Metallurgy Building a partial reproduction of the famous Mammoth Cave. Chief Holmes, of this department, has proposed to the Association, that it cut a hole in the floor of the building and with the liberal use of transparencies made from views of the "big hole in the ground," give the visitor an insight into its wonders.

Hammond & Co. have just delivered 35,000 of their celebrated Washington Red Cedar Shingles to the new Southern Presbyterian Church.

14-4t.

JACKSONVILLE.

Mr. Estelle Perkins and Miss Jennie Haselett, both of this place, went to Frankfort on Wednesday and were married at the Roundabout office, by Rev. George Darsie, of the Christian Church. The groom is an industrious young farmer. His bride is a handsome and popular young Shelby county girl.

Best wishes attend them.

CLOSE OBSERVER.

COUGHING SPELL CAUSED DEATH.

"Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive, another coughing spell came on and Duckwell died from suffocation.—St. Louis Globe-Democrat, Dec. 1, 1901. Ballard's Harehound Syrup would have saved him. 25c, 50c and \$1.00 at Paul B. Weitzel's.

FALLS AND ACCIDENTALLY SHOOT HIMSELF.

While Mr. Howard H. Taylor was walking along Clinton street, shortly after 8 o'clock, on Saturday night, he slipped and fell on the icy pavement discharging a gun he had in his pocket, the ball going through the left arm between the elbow and shoulder breaking the bone. Surgical attention was at once rendered, after which Mr. Taylor was taken to his home on Todd street, South Side.

Mr. Taylor is a son of Mr. Colby H. Taylor, of the Forks of Elkhorn, and brother of Mr. Brown Taylor, of this city (in the employ of the K. D. & W. H. Company), and is a young married man. He is an employee of Mr. Geo. H. Stedlin.

Dr. Wallace, his attending physician, says that, without something unforeseen occurs, Mr. Taylor will soon recover.

When in need of pure wines and liquors go to the dealer who handles only pure goods. That place in Frankfort and Franklin county is Geo. B. Salender, 15 St. Clair, opp. Postoffice.

UNUSUAL OCCURRENCE.

Something decidedly out of the usual run of things occurred in our office on Wednesday afternoon. A young couple from Shelby county came here to be married, chaperoned by the bride's mother and Mr. W. R. Moore, of the Jacksonville neighborhood.

Mr. Moore brought the couple to our office and the services of Rev. George Darsie were secured and the happy young people were duly authorized to "trot in double harness" from now on. The following is the simple statement of the pleasing ending of their little romance:

Married—Mr. Estelle Perkins and Miss Jennie Moore were married at the Roundabout Office, on Wednesday afternoon by the Rev. George Darsie, of the Christian Church.

The full force of lady and gentlemen operators were witnesses to the ceremony.

We venture it was the first time a marriage ever took place in a printing office in this city.

AGREEABLE CHANGE.

On Friday night an agreeable change for the better, in the weather set in. While it was blustery and rainy, the moderation in temperature was very acceptable. The rain came down pretty steadily and heavily until 5 o'clock, on Sunday morning, when it turned into a light snow, but by noon of Sunday it had cleared away and the sky Sunday night was thickly studded with stars.

SATURDAY NIGHT'S BLAZE.

Just a moment before 8 o'clock, on Saturday night, an alarm from box 21, called the fire boys to the blacksmith shop of Messrs. Craik & Crutcher, on East Main street, next to the Royal Mills, where a blaze had started around the forge and was burning at a lively rate. It was soon extinguished with only two or three rafters burned out. Loss nominal.

THAT OPENING DANCE.

The Frankfort Orchestra held the inauguration hop of their new Music Hall on Monday night last. It was a decided success and every one who was present enjoyed the evening to the fullest extent, and hoped to have another such soon.

RECOVERING RIGHT ALONG.

We are happy to be able to say that our esteemed friend, Judge George DuBelle, has been improving right along ever since he underwent an operation last week, and his physicians think, without some unforeseen accident, that he will soon recover his normal condition. This will be glad news to his many admiring friends in this city.

STAMPING GROUND.

Mrs. Dr. Stewart is visiting her sister, Mrs. Goodpastor, at Maysville.

There is a great deal of sickness caused by colds and influenza and the doctors are all on the go steadily.

We regret to learn that the venerable Mr. C. E. Duvall (Uncle Nelly) is seriously sick at the home of his son-in-law, Mr. R. L. Thomson.

Mr. J. C. Hambrick has sold his crop of tobacco to an Elmville buyer for \$3, cents from the ground up. He has 12,000 pounds.

Ice to the thickness of one and five inches was cut and housed by our people during the recent freeze.

Mr. Howard Triplett will move to the residence of Mrs. Lida Adams, on the Tilford farm, about the first of March, having rented it for the next year.

We regret to learn that Rev. T. Wain Beagle, the venerable pastor of the Baptist Church, and good wife, have both been quite sick.

Mr. Claude Beagle, of Louisville, and Mrs. Perry, of Lexington, have been called here to attend upon Rev. Mr. Beagle and wife.

Mrs. Clark (nee Lancaster), aged 29 years, residing near Seitzler, was paralyzed on Sunday last. She is peculiarly unfortunate, as her husband was killed at the lead mines a little over a year ago.

Our town was visited by a fire on Wednesday last, about 2 p. m., when the cottage occupied by Mrs. Laura Lair was destroyed. The greater part of the household effects were

saved, though in a damaged condition. A defective fuse caused the blaze. The loss was near about \$700. No insurance.

What few fat hogs are left are bringing four cents.

The rain Saturday accomplished much good. Water was getting scarce. UNO.

NOTICE.

There will be a meeting of the Board of Directors of the Capital Gas and Electric Light Co. at their office, 102 St. Clair St., city of Frankfort, State of Kentucky, on Monday, January 11, 1904, at 2 p. m., sharp, for the purpose of transacting such business as may come before the meeting.

D. W. LINDSEY, President. 16-td.

DIRECTORS TO MEET.

By reference to a notice in another column it will be seen that the directors of the Frankfort Gas and Electric Light Co. are called to meet at their office on Monday, January 11, 1904.

GETS INSURANCE MONEY.

The Frankfort Elevator Coal Co. has been paid by the insurance companies the sum of \$5,000, the amount for which the steamer Al Martin was insured for. It will be remembered that the boat struck a snag, sunk and went to pieces at Sand Ripple some two weeks ago.

'Mrs. Wiggs of the Cabbage Patch'

MRS. WIGGS.

Great Production Coming Wednesday, Dec. 30.

Everybody who has fallen in love with dear old Mrs. Wiggs of the Cabbage Patch, and she is now a universal favorite from one end of the nation to the other, will be delighted to see her familiar figure make her footlight bow, in all her amusing, cheerful and deeply human charm, on the stage of the Capital Theatre, of this city, Wednesday evening, Dec. 30. Mrs. Madge Carr Cook, who is impersonating the lovable old lady, with her quaint sayings and her homely wisdom, in this forthcoming Liebler & Co. production of "Mrs. Wiggs of the Cabbage Patch," seems to have scored a decided triumph in the role, and is said to be an ideal incarnation of this motherly character. Mrs. Anne Crawford Flenner's dramatization is, according to all reports from the Southern cities where it has already been seen, a thoroughly sympathetic reproduction of Mrs. Alice Hegan Rice's two now classic stories ("Mrs. Wiggs" and "Lovey Mary").

There is, moreover, a serious situation in the play for Mrs. Wiggs, in order to give her a truly dramatic appeal beyond mere character comedy, and this situation is the absolutely original invention of the dramatist. It will furnish, too, the tangled thread to the entire plot, involving Lovey Mary, Tommy and utterly new characters, with increased dramatic interest, in Mrs. Wiggs' own life on the Cabbage Patch. Mrs. Flexner has practically written, it is declared, a third Mrs. Wiggs story, adding it to the two already existing.

Of course, the central episodes of those two stories run through the play, in spite of all its dramatic

novelty. The flight of Lovey Mary from the orphanage with her beloved baby-boy Tommy, furnishes part of the plot, her arrival on the Cabbage Patch occurring in the opening act. While Mrs. Wiggs herself is full of heart interest, the love interest and romantic element centres in Lovey Mary. This unhappy runaway orphan waif, with her sharp tongue and rebellious spirit, is herself quite an unusual creation in fiction, and she is said to have a thoroughly sympathetic stage depiction by Miss Mabel Tallafiero, who has been for several seasons past America's most distinguished child actress. She is just now on that trembling line between girlhood and young womanhood which befits the role itself of Lovey Mary in the play.

The chief comedy interest of the piece concerns the curious courtship, hasty wedding, and abrupt separation of Mis' Hazy and her strangely found "spiritual partner," Mr. Stubbins. Everybody

will readily recall this mirth-provoking romance of the Cabbage Patch—how Mis' Hazy sent the requisite 25 cents to the mysterious "Astrologer," how "the prominent citizens of Bagdad Junction" subsequently appeared on the scene, how he proved "anything but god-like," and how he unfortunately followed up pumpkin pie with strong drink and fell sadly from grace, making his unique exit in an empty freight into which he was hoisted in maudlin unconsciousness a passing glimpse of this unique matrimonial experimenter. One's curiosity was whetted for more. In the play Mr. Stubbins casts a much larger shadow in the limelight, and as he is impersonated by Mr. William T. Dodge, who won such praise for his work as Freeman Whitmarsh, to gossip-mongering, lovelorn village plauter in "Sag Harbor" (dividing honors with James A. Herne himself) we may believe the reports that he has developed into a strikingly inimitable creation of eccentric comedy, second only to Mrs. Wiggs in humorous appeal.

Little Mis' Hazy should find a thoroughly sympathetic portrayal in Miss Helen Lowell, who is such an expert depicter of old maids, whose enacting of the spinster-sister to Maude Adams's Phoebe Throssel in "Quality Street," is still vividly remembered. As her wooden-legged nephew, Chris, who was "so handy on his feet," Taylor Granville is expected to repeat the hits scored by him as Wiggins in "The Royal Box," and as the Jockey in "The Suburban."

"The way to a man's heart is through his stomach," an old saying that to win a man you must feed him well.

If this is not true, it is still true in another sense that the way to a man's heart is through his stomach. Many persons imagine that they have heart disease when it is only indigestion.

This is how it comes about. The stomach is distended by gas, crowds the heart and gives the feeling that the trouble is in the heart.

If you don't know that you have heart trouble, try using Walder's Peptonized Port and see if it does not relieve you. For sale by J. W. Gayle, Frankfort, Ky.

HE FOUND A CURE.

R. H. Foster, 218 S. 24 Street, Salt Lake City, writes: "I have been bothered with dyspepsia or indigestion for 21 years, have tried many doctors without relief, but I have found a cure in Herbine. I recommend it to all my friends, who are afflicted that way, and it is curing them, too." Sent Paul B. Weitzel's.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer clime, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Mr. George Brock, Jr., is the guest of friends in Lexington.

Very little amusement is anticipated in our village during the holidays.

Mrs. Sandy Holton died Saturday morning at 7 o'clock, with that dread disease—consumption. She had been married less than a year. She was a devoted Christian and loved by all that knew her. Her circle of friends was very large. She was one that was always thinking of pleasure, or to please others, instead of herself. She was a member of the Christian Church at Frankfort, where the funeral was conducted Sunday, at 2 o'clock, p. m., by Rev. George Darsie. She leaves a brokenhearted husband to mourn her untimely loss; a mother, father and sister, besides a host of relations and friends. We can not understand why this young wife was taken, just when life meant so much to her. But the Lord works in mysterious ways, and does all things for the best. We extend heartfelt sympathy to the bereaved ones.

A KID.

BEER GARDEN.

There is preaching at Antioch Saturday night and Sunday as it is the regular meeting day.

Miss Rohan Goins was the guest of Mrs. Pearl Semones last Wednesday.

Mrs. Cordie Chism, of Harvilland, was the guest of Mrs. Irene Goins last week.

Miss Ida Semones visited her mother last Saturday and Sunday.

Miss Lullie Duvall closed her school in the Antioch district last Friday.

We are sorry to hear that Dr. R. B. Ginn, of Ottusville, is very ill, with typhoid fever.

In this county, Mrs. Bettie Smith, wife of Mr. Marshall Smith, died at her home on Monday. Mrs. Smith had been ill for some time with pneumonia. She was a member of Antioch Christian Church. She leaves a husband and eight children to mourn her death. The funeral and burial took place at 3 o'clock Wednesday afternoon at Antioch Church.

FAVORITE FAMILY REMEDY.

Frequent accidents occur in the household, which cause burns, cuts, sprains and bruises; for use in such cases, Ballard's Snow Liniment has for many years been the constant favorite family remedy. 25c, 50c and \$1.00 at Paul B. Weitzel's.

CHOATEVILLE.

(Delayed Letter.)

Mrs. John Dennis and Mrs. Lou Sudduth, both of Choateville, were the guests of Mrs. India Reedy Tuesday last.

Mrs. Fount Huletto and Mrs. Ben Huletto, also of Choateville, were the guests of Mrs. Sue Dennis one day last week.

Mrs. Nevill Collins' little son, Robert Elliott, is on the sick list this week.

Little Owen and Ruth Huletto, children of Mrs. Ben Huletto, are on the sick list this week.

We learn there is going to be a new stepmother on Pea Ridge. We hope she will prove to be a good one, for we see so many mean ones around our homes.

Misses Stella Huletto and Jessie Pierce, both formerly of Choateville, were the guests of Miss Emile Hamilton, of Benson.

Oh! gracious! we are so sorry to know that school is out. We had such a nice teacher and he had such a nice little entertainment. He gave all his scholars a nice treat. We hope he will get the next school.

Miss Ethel Huletto is on the sick list this week.

Mr. Charlie Sanford, wife and children are the guests of Mr. and Mrs. John Moore this week.

Mrs. Sue Dennis and daughter, Georgia, were the guests of her brother, Mr. Jack Huletto, one day last week.

Mr. Elwood Hamilton spent the day with his aunt, Mrs. Fount Huletto.

We were sorry to hear about Mr. George Stigers' death, although I guess he is better off. I hope he is.

Mrs. Jennie Pierce is still on the sick list this week.

Mr. Jack Huletto is still on the sick list.

VALUABLE BOOKLET.

We are in receipt of a booklet just issued by the Henderson Route giving valuable information as to the hotels and their rates, as guaranteed, at St. Louis, for the World's Fair. This booklet is invaluable and no one who goes to the Fair can't afford to be without it. It can be obtained upon application to Mr. L. J. Irwin, the general Passenger Agent, Louisville.

SEA OF AZOF DISAPPEARING.

St. Petersburg, Dec. 16.—The sea of Azof is disappearing and remarkable scenes are in course of action. At Taganrog the waters have receded to such an extent during the last five days that the bed of the sea is visible for a distance of thousands of feet. High winds hurled clouds of sand shoreward, covering the town. Vessels are lying high and dry, and the greatest confusion prevails in the harbor. Work in the factories has had to be reduced to a minimum, owing to lack of water.

NEW BOAT.

The Frankfort Elevator Coal Co. has chartered the good tow-boat Vivion to attend to their coal towing until their new boat is finished, which they will have soon, to take the place of the ill-fated Al Martin. This is a hustling company and don't stand back for something to "turn up," but go ahead and "turn it up."

A TIMELY SUGGESTION.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. For sale by all druggists.

GOOD FOR CHILDREN.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure, life-giving and life-sustaining oxygen to the blood and tissue. Dr. Armstrong of Delta, Tex., prescribes it daily and says there is no better cough remedy made. Sold by J. W. Gayle.

HAPPY WOMEN.

Plenty of Them in Frankfort, and Good Reason for it.

Wouldn't any woman be happy After years of backache suffering. Days of misery, nights of unrest. The distress of urinary troubles, who finds relief and cure? No reason why any Frankfort reader Should suffer in the face of evidence like this:

Mrs. T. Thornton, wife of T. Thornton, barber, of 533 Short St., says: "A constant dull aching pain across the small of my back, caused by my kidneys, has annoyed me for years. On account of this and from the fact that my back has been so weak, I have not been able to do any hard work about the house at all. There was a constant irritation from the kidney secretions and they were irregular, unnatural and scalded. Doan's Kidney Pills were recommended to me so highly that I got a box at J. W. Gayle's drug store. They certainly helped me in every way. I felt better than I had in a long time, and I have no hesitancy in recommending Doan's Kidney Pills to any one suffering from kidney trouble of any kind."

STARTLING EVIDENCE.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Croup. Guaranteed by all druggists. Trial bottles free, regular sizes 50c. and \$1.00.

WORST OF ALL EXPERIENCES.

At length I was induced to try Electric Bitters and the result was miraculous. Improved at once and now I'm completely recovered. For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by all druggists."

MILLIONAIRE'S POOR STOMACH.

The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the civilization on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among the poor people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Peppin's Food, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower restores the torpid stomach, creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c. At all druggists.

HOW TO PREVENT CROUP.

It will be good news to the mothers of small children to learn that croup can be prevented. The first sign of croup is hoarseness. A day or two before the attack the child becomes hoarse. This is soon followed by a peculiar rough cough. Give Chamberlain's Cough Remedy freely as soon as the child becomes hoarse, or even after the rough cough appears, and it will dispel all symptoms of croup. In this way all danger and anxiety may be avoided. This remedy is used by many thousands of mothers and has never been known to fail. It is, in fact, the only remedy that can always be depended upon and that is pleasant and safe to take. For sale by all druggists.

SAMUEL RODDE PROPRIETOR.

PEA RIDGE.

(Delayed Letter.)

Miss Katie Suter is improving rapidly, which gives great pleasure to her many friends.

Mrs. Frank Stoops has returned to her home in Indiana, after a two week's visit to her parents, Mr. Jno. Edge and wife.

Rumors of three weddings of popular young couples are in the air and the wave of matrimony will again extend even as far as Pea Ridge.

Mr. J. A. Edge, of Lexington, was the guest of his parents last Sunday. He was most cordially greeted by those of his old school-mate whom he met.

Miss Edith Edge and brother were the guests of Miss Naomi Clark one evening this week.

Mrs. Mattie Clipper and daughter, Miss Laura, also Mrs. Fannie Collins and daughter, and Mrs. Winnifred Lacey were the guests of Miss Edith Edge last Sunday evening.

Miss Kate Suter was able to make her first trip out last Friday, after nearly two months' serious illness. Needless to say her first visit was to her friend and companion, Miss Edith Edge, who was delighted to entertain her little friend once more.

People having ice houses are now filling them with nice clear ice.

Mr. John Woods, who bought and resides on the Metheny place, is seriously ill.

School was closed last evening. It has been very cold this last two weeks for the little ones to trudge through the ice and snow, and some have quite a distance to travel before reaching their destination. We are sorry to lose our sociable young teacher from the neighborhood, but maybe next term we may be lucky enough to get her again to teach our little ones.

The good people of Chantville are expecting to have a Christmas tree for their Sunday-school scholars. This is as it should be. Let all the people, young and old, join in trying to have a good tree for the expectant little ones. Mrs. John Dennis will be glad for the young ladies to help her in decorating the tree. Everybody invited to meet at Sunday-school next Sunday evening and make final arrangements as to when and where, etc.

Little Frankie Edge is being considerably jolted over his being fined for shooting a hawk, which had been pecking his own and neighbor's chickens. The following are some of the remarks which he heard you were paying \$5 a piece for hawks. You can come over on my place and I'll let you shoot all the hawks and owls you want to for nothing. "Law's a mercy, Marsa Frank, what for they find folk for shooting hawks? If you can't shoot hawks, what on earth the culled people gwine to do for June meeting and the preachers?" From yet another: "Now, Marsa Frank, let this be a lesson to you. When ye get ter be a man vot' for the log cabin, den Democrats don't know nothing if they are gwine to fine folks for shooting pesky hawks."

On hearing of Little Frankie Edge being fined for shooting a hawk, on land that is in controversy, and is to be yet passed on in the future, the following gentlemen heartily and generously and sympathetically invited the little fellow to hunt on their farms, which are almost adjoining that of his parents: Mr. William Wheeler, Mr. James Tracey, Mr. William Crutcher, Mr. Taylor Collins, Mr. Sheets, Mr. George Herndon and several others. One of his lady neighbors even went so far in her sympathy

as to send him quite a number of cartridges so he could kill more hawks. While we would not and do not believe in upholding a child in wrong doing, we do believe in defending an innocent school boy from being the instrument or butt for those who have a spite against older members of the family, whom, for some reason, they do not attack, wreaking their petty spite on school children and using the Commonwealth as their instrument so as not to cost themselves anything. Strongest in the World!

—IS THE—

Equitable LIFE

ASSURANCE SOCIETY.

IT GIVES PROTECTION THAT PROTECTS—
(not for a day, but for all time.)

SURPLUS \$75,752.91—the largest total of any Life Co. on Earth. In surplus there is strength and from surplus earnings dividends are paid. Dividends in 1902, \$4,477,924, more than was paid by any other Co. More than a million a month was paid last year in death claims—more than a million a month in living benefits. Why allow your family to carry the burden when the Equitable is ready and willing. Assure to-day, to-morrow never comes. I shall be pleased to call and explain our contracts.
